The annual Waste Management Conference, presented by WM Symposia (WMS), is widely regarded as the premier international conference for the management of radioactive material and related topics. WMS is a non-profit organization dedicated to education and opportunity in waste management. It was founded to provide a forum for discussing and seeking cost-effective and environmentally responsible solutions to the safe management and disposition of radioactive waste and radioactive materials.

Sponsoring organizations include the American Nuclear Society (ANS), the American Society of Mechanical Engineers (ASME) and Organization for Economic Co-operation and Development/Nuclear Energy Agency (OECD/NEA). The conference is also organized in cooperation with the US Department of Energy (DOE), the Nuclear Regulatory Commission (NRC), the Environmental Protection Agency (EPA) and the International Atomic Energy Agency (IAEA).

Why Should You Exhibit? This conference is attended by decision makers, project managers and procurement specialists representing the government and private organizations undertaking the global tasks of radioactive waste management, decommissioning and site remediation.

Who Exhibits? Exhibiting companies showcase all aspects of products and services related to the nuclear waste management industry. Areas of interest include equipment, supplies, engineering, permitting, scientific and project management services, transportation, remediation, decommissioning, robotics, and other products and services. With many long-time exhibitors, the booth spaces go quickly. So get your booth now!

Who Attends? This year promises to be a great conference, with updates on programs and activities, and the latest projects, concepts and innovations in the nuclear industry. Over 2,100 scientists, engineers and managers attend the conference from companies and agencies around the world. WM2011 is expected to attract representatives from over 25 countries, presenting more than 500 papers in 80 technical sessions.

What's Included? Each 10' x 10' booth includes an 8-foot high back wall with 3-foot high side rails and one 500-watt power hookup; exhibitor identification sign bearing your company name and booth number. New for WM2011 – daily trash service for all booths will be included in the booth rental. *Carpet is provided in the aisles only.* Booths which are 10' x 20' or larger will include two 500-watt power hookups. *Please note that furniture is not included in the booth rental fee.* Furnishings are available for your booth at an additional cost.

Questions? Please call WMS if you are interested in exhibiting or have questions. You may reach us at 1-480-968-7559 or by email at exhibits@wmarizona.org.

Semi-Trailer or Equipment Display

WM2011 appreciates your large vehicle or equipment display as part of our varied exhibition. The Phoenix Convention Center is equipped to allow semi-trailers, motor-homes, and large pieces of equipment on the show floor. Please contact us WMS immediately if you are interested in displaying a large vehicle or equipment as space is limited and specific dimensions of the display will be discussed. The City of Phoenix and the Phoenix Fire Marshall have final approval on all large vehicle and equipment display and specific rules must be followed for set-up and tear-down of the display.
