

March 6 - 10 / Phoenix Convention Center, Phoenix, Arizona
"Globally Focused, Innovated, Connected: WMS is Engaging the Future"

Happy 2022! Registration is off and running in the new year! WMS recognizes this year requires a bit of flexibility and thoughtfulness in serving customers – and we aim to do that for you. We have extended the early bird rate two more weeks to serve all our attendees—federal, industry, and our non-US colleagues.

Early Bird Registration deadline extended to January 21st, 2022.

If you are not registered for [WM2022](#) already, don't wait & save up to **\$400** if you register by Early Bird Registration deadline. [REGISTER HERE FOR WM2022](#)

Attendee health and safety is paramount and WMS wants to help you feel confident in registering and attending this year's conference! We have instituted safety guidelines and protocols in line with CDC guidance, per this link [WM2022 Safe Meeting Guidelines](#).

Plus, the Phoenix Convention Center is outpacing other venues in ensuring visitor safety and protection. The Phoenix Convention Center (PCC) is the first public venue in Arizona to receive GBAC STAR™ accreditation. Recognized as the gold standard of safe venues, GBAC STAR™ provides third party validation to ensure the implementation of rigorous protocols in response to bio-risk situations. The PCC was able to attain this accreditation by proving maximization of product use and best practices for sanitization and training staff to implement them at the level needed to thoroughly sterilize and clean environments.

EXPERIENCE THE EXHIBIT HALL AT WM2022, [View EXHIBITOR DIRECTORY](#)

WM2022 is going to be the most innovative annual exhibition yet, showcasing all aspects of products and services related to the nuclear radwaste industry! Join us in the exhibit hall to network outside of technical sessions and meetings, starting with our Opening Reception on Sunday from 1700-2000!

BOOK HOTELS

Don't forget to book your hotel room if you haven't already! View [Travel & Housing page](#) for a list of WMS contracted hotels.

SUPPORT THE ROY G. POST FOUNDATION & ST. JUDE'S CHILDREN HOSPITAL
